ELECTION NIGHT VICTORY PARTY:

By Carl Burton

Gallup predicts big Republican Victory

Democrats are responsible for very unpopular mischief: driving up the unemployment rate, huge deficits and siding with illegal immigrants against Arizona.

Gallup predicts an even bigger GOP victory in 2010 than in 1994, according to the latest data from the Gallup Organization.

With some prominent prognosticators like Dick Morris even saying that the number of House seats the GOP could take numbers close to an impressive 70.

We must pick up 10 seats for a Senate Republican majority. But the party needs to gain only four seats to move to a level - 45 - where it will be extraordinarily difficult for Senate Democrats to overcome a filibuster.

Please Note: Republicans of River City is canceling the victory party originally scheduled for the 1022 Restaurant that we featured in our October newsletter. We are sorry for any inconvenience this may have caused you.
